

Camper Application

What's a Social Enterprise? A "social enterprise" is a unique type of business created to both make money AND make a difference (one great example of a local social enterprise run by students is *Love Your Melon*). At **Sparks! Camp** you'll work with other students to create your own social enterprise!

Who can apply? If you're a junior or senior next year AND live in the 834 district AND would like to learn how to create a business that makes a difference, we'd love for you to apply.
